

Dinosaur Research

Created by
Lauren Dull

This freebie contains a page to organize research information about dinosaurs using any non-fiction text about dinosaurs. Also includes a page to record facts from the non-fiction text Mighty Dinosaurs in Volume 2.2 of the Houghton Mifflin reading series for 2nd grade.

Thank you for your support!

Type of Dinosaur:

Researcher:

Its name means:

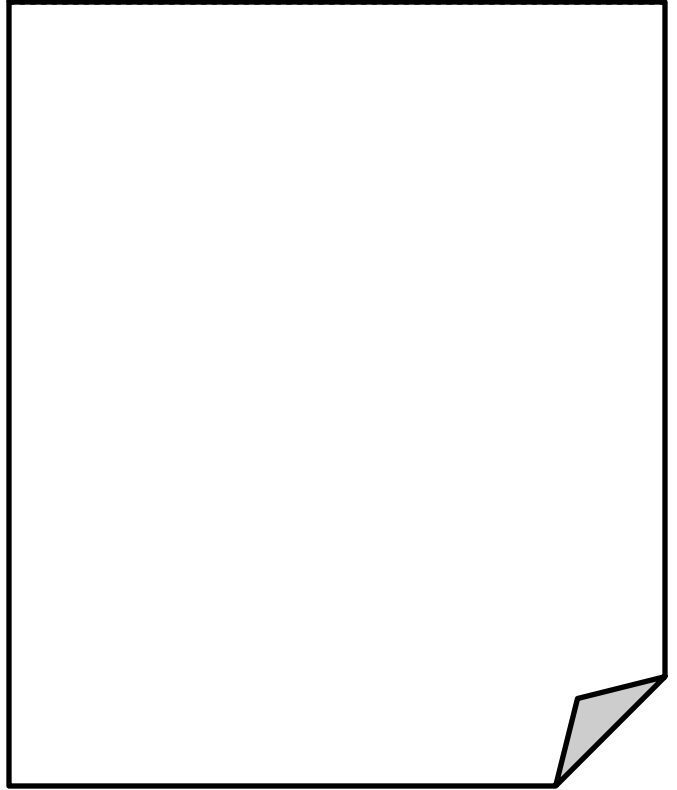

Where did it live?

How tall was it and how much did it weigh?

What kinds of food did it eat?

Was it a predator or was it prey?

This is what my dinosaur looks like:
